

Helping you protect local water quality ...

The Huron County Clean Water Project provides financial and technical assistance to county residents to improve and protect water quality in Huron County. The project is funded by the County of Huron and delivered by the Ausable Bayfield and Maitland Valley Conservation Authorities. Funding assistance covers **up to 50 % of the costs** of eligible projects and can be combined with other cost-share programs.

Funding is limited - so call today!

Project	Maximum Grant
Clean Water Diversion – Berms and eavestroughs to divert clean water from manure and exercise yards.	\$3,000
Erosion Control – Grassed waterways, catch basins, terraces and berms to reduce soil and riparian erosion.	\$3,000
Fragile Land Retirement – Planting trees and shrubs on erosion-prone land. Buffer strips along watercourses.	\$2,000
Livestock Fencing – Fences, crossings and watering devices to eliminate watercourse livestock access.	\$3,000
Manure Storage Decommissioning – Properly decommissioning manure storage facilities to prevent water contamination.	\$3,000
Wellhead Protection – Pitless adapter caps, grading, sealing and upgrading well casings to prevent contamination.	\$500
Well Decommissioning – Properly decommissioning abandoned wells to eliminate the link between surface and ground water.	\$500
Community Projects – Stewardship and educational projects by community groups.	\$3,000

To apply for funding call **Maitland Valley Conservation Authority** (519) 335-3557 or **Ausable Bayfield Conservation Authority** (519) 235-2610 or 1-888-286-2610.
